

travelling to different places. With
the cost of living they are not
inclined to travel that much
however.

I will now be going for some
3 weeks to Central America to
visit with the families of disappeared
there so I'm kept more than busy
going from one place to another.

Well I'll finish this letter
now. Hope, da, your sight is
getting better & all are well. Hope
Kathy is doing fine. I must write to

Dear Daddy & all at home, ARANM-FICE 02-025-1/2 ①
Hope everyone is fine. I
imagine by now my letter together
with the tape has arrived. Here we
are all well. The weather is still
very wet. It rains now nearly
every day and people are worried
if it will continue too long. The
farmers however are very happy with
the rain.

Yesterday we had the end
of a month's course preparing people
for the Mission which will take place
here on occasion of the ppl's

dream for his 40th birthday. (4)
we are all begining to move
along. Hope the year go by!
well god bless to all

Your friend
Paul

I suppose you are all
enjoying the Olympics. I hardly
get the chance to see any
of it. Love Bless.

Visit which will be in ^{AR-ANM-RICE 02-025-2/2} ~~the~~ January. (2)
The idea is to have a National
Mission during 3 months November,
December & January. If we are
not all saints by the time the Pope
comes, I don't know what we'll do.
There is a lot of excitement & preparation
so it may get things going. At
least people are cementing that if it wait
for the Visit, the bishops would still be
half asleep but now they have to get
down to work.

There is also holidays here in
July & August so a lot of people are
