Dear Friends Anny Rice + Family,

We are now near Christmas and therefore I'd like to wish you all many very best, for a happy and joyful Christmas and God's love, graces and blessings for the New Year. I pray that the year 1975 may bring you all the joy you would like to have. May the love of God guide you throughout the whole year.

My dear Friend Anny, I thank you very sincerely for your lovely letter, the card and your generous gift. Thank you very much.

I was glad to get all the news from you and especially that all is going fine for you.

Here every thing is going well too. I'm quite busy with my Christmas essays at College.

you asked me about Bernard and Voiejek. Bernard is on his way to Paraguay. He left here about ~~for~~ two weeks ago. He went by ship. Voiejek is still in Germany. His Father died sometime ago.

I am sure that you all are looking forward to Pat's coming. That really will be great for you. I had a letter from Frank a good while ago. He is fine but very busy.

you can trust that I don't forget to pray for you. Again my best wishes for Christmas and may God protect you throughout the New Year.

Greetings and love,

Sr. Margarida Maria
