Dear Bro. Patricia,

I would like
to tell you how near we feel to you
in these days ..

I wish you a Happy
Christmas . I guess you have - it had
Christmas with your family for a long
time . I presume you must be very
busy and surrounded by people - but I am
sure you intend to come and see us
again in Labre Park, sometime .

I don't know when you are planning
to come but let me jump in with
this request : On the 3rd January
one of the postulants is entering
the postulancy by a little ceremony
before Mass . We would very much
like if you could preside at the
ceremony in our little garden .

It could be in the evening or at
any time which suits you.

Please tell me very simply what
you think of it. We'll understand
if you can't make it. Thank you.

Well, dear Brother, we know
that Jesus is the link between all
our Brothers in Argentina and
ourselves. We pray together for all
those whom our hearts are full of.
May the peace of Jesus be ours and
theirs.

I look forward to hearing from you
love from all of us.
