Dear Daddy or all at home;

I am sending a book of photos
of an area near Caracas. They were
taken by an American missionary.

Hope you are all well.

I'll give a call this
weekend. We are now begining
to get ready for Xmas.

Hope all are well.

Fatima & Carlos are
 keeping fine and we
 have as always plenty of
 activities.

Will write a longer
 letter soon

God Bless to
 all your family
