Dear Mr. Pat.

Thanks very much for
the little booklet about Charles
de Laucould which we found
in the letter box. We were very
sorry to have missed you when
you called. We were glad
to hear you were looking so well
after all you had been through.
We would like

very much to meet You. when
you are at home, perhaps
Kathleen would let us know -
and we could fix a day.

With best wishes from
us both -

Lily Barry.

P.S. I am enclosing a small
offering, - towards your good works
and would be very grateful for
a prayer for our intentions.

L. Barry.

there too long & set free. I'm following up the news items all the time. (I was at a film the other night and it was situated in the Argentine around Santa Fe. I remembered Kathleen telling me that was where Fr. Pat was one time - it seemed to be a very nice area.) We are all hoping for good news soon anyway P.G.

I was very sorry to see Sheila Malone's death on the paper R.I.P. it must have been very unexpected.

Now Mrs. Rice I want to thank you & family for the lovely gift you gave us in August. It was indeed beautiful and very much appreciated by Tim & myself. I'll conclude now hoping

for the best of news about Fr. Pat soon.
Again thanking you,

Yours sincerely,
Maureen & Tim
