

Dear Mammy,

I hope you are all keeping well. Well we finally finished our get-together in Reconquista & now I am in Olmos. I have some good news about my visit home. In the meeting we planned our activities for 75. and decided that it would be best if I made the trip home in the early half of 75. I hope to be able to spend 2-3 months there. ~~Then~~ a few weeks then I will go to Bs. As. in order to organise the trip. I will try to get a cheap charter flight - return. As you have some money for me in the bank I was hoping to pay it with that money. I don't know how much it is but I imagine it should cover the costs. It is only when I go to Bs As that I will know what it will cost but I imagine it would not exceed £300. Besides it is a good way of spending that money. When I go to Bs As & fix up the trip, I will send on a letter or telegram telling you what to do with the money as it may be necessary to send on the money by the bank in order to pay the trip. However there are other possibilities that I may be able to pay in Ireland. For the moment don't worry as until I go to Bs As I don't know what is best. It probably be about when I travel.

How is everyone I hope Dad is getting over his sickness. I see the economic situation is bad in Ireland. I am looking forward to seeing everyone again. When I return I will go to La Rioja as there is a brother alone there. He is French & I think we shall get on very well. This Christmas I've practically written to no-one as I know more or less I would be going back in 75. Thank Mick Mansfield for his letter & Xmas Cards. When I go back I intend spending all the time I can at home & the only visit I have to make is to France to visit our head-quarters but that may be on the way - out or way home.

Well I'll now finish this letter. The next letter you send
you can send it to ^{Pat Rice.}
Casilla de Correo 1174 - then you should hear from me

Buenos Aires.

God bless all -

Love

your dad son Pat
