Dear Fr Pat,

Delighted to hear from you, and Thanks very much for all the
kisses, will greet you with dozens of them when you come.
So happy to hear you are feeling much better, nothing like the
good Irish fresh air, and the loving attentions of a Mother.

We are eagerly looking forward to your visit, and bring your parents
or anybody you wish with you, give us a ring the night
before and we will have an coach ready but not Argentine
style, do not be calling at hotels or the way, you are invited
here for lunch.

Bird is in great form, having a fine rest here, & his sister
& Mary was here for the past two weeks, Bird is gone to

Dublin for a week. She sent you a letter from friends in S.A. Archivo
Nacional de
la Memoria
did you get it?

I heard from Tony, Tom, & Neil for a while - all in great form. Neil thinks the world & all of you, & says you will be ever better for all you have gone through, I think it's what he would like himself, wish I could be out there giving him a hand.

I love Carol Corbett's book "In Search of the Beyond" his ideas on prayer & religious life in general are after my own heart. There are times when I feel like a bloody hypocrite. Hope I'll get to London sometime when you are there.

I think ^{Bud} will be going back before the end of February, she wants to be in La Falda for Fr. J. Bunk's Retreat & with the Sisters and priests are going, he's a charismatic guy & was here in the Summer, a Dominican from the States, & he has been invited to give this Retreat, last week in February.

Con mucho Amor
